Year 2 Science Museum

As part of our new topic Super Humans, Year 2 took part in an interactive workshop at the science museum. While we were there we were able to explore the 5 senses, how we use them and what we use them for. We also had time to go round and look at the other displays and exhibits on show too. Throughout the day there were various activities we engaged with resulting in a fun scientific day out!

Year 1 Cutty Sark

Year 1 went on a trip to visit the Cutty Sark! We took part in the workshop Adventure at Sea. We learnt about the history of Cutty Sark and were able to explore above and below the deck. We even got to go into the bunkers of the ship and were able to experience what it was like to sleep on the boat! We had a great time.

Year 1 Pirate Dress Up Day

Year 1 had a fantastic day dressing up as pirates for their topic 'treasure islands'. They participated in lots of fun activities such as map making and compass reading, as well as making their own pirate masks and flags! This enriching day was enjoyed by all including the class teachers who also dressed up.

Children In Need

Last week, we all came to school looking very spotty and bright in our yellow clothes to raise money for children in need! . The children enjoyed all the activities that were and learning about why we dressed up. Thank you to all who donated. We raised £244! Thank you!!!

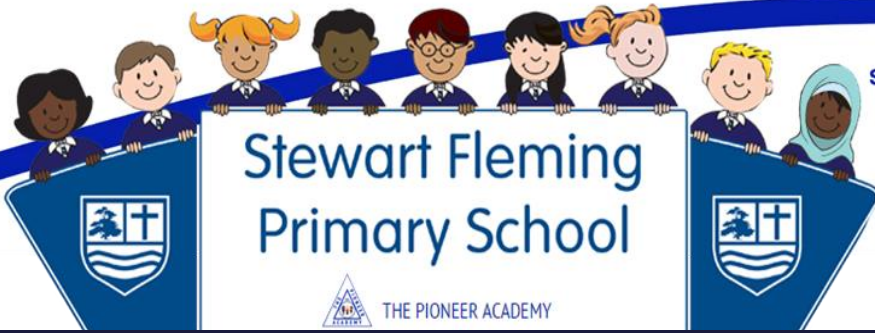

Bikeability training

The children in Year 6 were brilliant over the last couple of weeks whilst taking part in Bikeability training. First off they completed exercises out in the playground and then went out riding on the road. The instructors were very impressed with their listening skills and how polite and well mannered they were.

Christmas dinner and jumper day

We will be holding our annual Christmas dinner day on Wednesday 6th December. Please do let us know via ParentPay if you wish for your child to have a Christmas lunch. We will also be holding our annual Christmas jumper day on Friday 8th December. We ask that pupils wear their correct uniform with their Christmas jumper.

Safe – Happy – Learning

Odd socks day

At Stewart Fleming we took part in Odd Socks Day! We used this day to recognise Anti-Bullying week and to encourage the children to celebrate their differences. At Stewart Fleming, we appreciate and encourage the children to be unique.

Empowering parents and Communities

We have been asked to share the link below which offers a range parent courses. If you would like to attend, please use the contact information found on the poster.

Parent Reading Mornings

This week we welcomed in the parents in EYFS for our first reading morning of the year! It was a great morning where we got to share our love of reading with both the parents and children. It was lovely to see so many adults and carers taking the time to read in school. Thank you for joining us and if you weren't able to make it, don't worry as we will be hosting plenty more mornings throughout the year.

Poppy Appeal

Thank you to everyone who helped to raise money for the poppy appeal. The donations go towards helping those in the Armed forces community both serving and ex-serving personnel and their families.
