Broadmead Primary School has been part of The Pioneer Academy since April 2017. From that point our story began!..

At Broadmead our vision is this:

At Broadmead Primary School every minute matters. We will create a safe and nurturing environment, where everyone feels valued and achievements are celebrated. Our pupils will have a thirst for learning and resilience in all that they do.

As part of our diverse community, we are committed to providing high quality teaching and learning, along with memorable experience, where goals are reached and dreams are fulfilled.

We would love to show you round and discuss with you the impact of joining one of the most successful multi academy trusts in the country.
