

# We are...

## Our aspirations for learning for all.

# We are...

## Historians.

**We will inspire a curiosity of Britain's past and that of the wider world through the IPC and the National Curriculum. We will create lifelong memories of experiences that enhance learning.**

# We are...

## Geographers.

**We will inspire a curiosity of the world and its people through the National Curriculum and the IPC. We will create learning opportunities that enhance understanding and build lifelong memories.**

# We are...

## Musicians.

**Through the delivery of the National Curriculum we will engage and inspire pupils to develop a love of music and so increase their self confidence and creativity. We will enrich pupils love of music through singing across the school.**

# We are...

## Sports People.

**We will provide engaging and challenging opportunities that develop a healthy, life long love of physical activity and healthy lifestyles.**

# We are...

## Computer Scientists.

**We will provide opportunities to understand and apply essential principles and concepts of computing logic, algorithms and data representation. We will offer opportunities to analyse problems in computational terms and communicate ideas by utilising appliance and devices.**

# We are...

## Artists.

**We will provide high quality materials and resources that allow children to explore and remember a range of artists and techniques and then apply them to their own creativity.**

# We are...

## Theologians.

**We will help children to acquire knowledge and understanding of religions to foster a culture of acceptance and understanding.**

# We are...

## Respectful.

**We give children opportunities to explore healthy, safe relationships and give them the skills to develop these relationships both now and in the future.**

# We are...

## Linguists.

**We will give children the opportunity to explore the Spanish language and culture in order to foster an acceptance and tolerance and prepare children for their next stage in educations.**
