Broadmead Music Action Plan 2024-2025

Objectives	Actions to be taken	Lead Person	Time scale	Success Criteria	Resources Funding	Monitoring and Evaluating
For teaching staff to be confident with planning and delivering music lessons.	To roll out music express planning. To ensure that all year groups have access to music express planning. To conduct music learning walks after roll out. To teach model lessons for teachers where necessary.	IS	Music express roll out to be introduced by October half term.	Music lessons will be happening weekly by all teaching staff.		Are children building on their skills year on year?
To provide an increased number of performance opportunities for all classes	Plot in a performance opportunity for each year group or key stage in an assembly and/or for parents	IS	One per half term (each year group at least once per year)	Children will be able to share their learning and skills. Younger children will see what they will be learning as they get older.	Time in assemblies	Are children enjoying performing and seeing others perform?
To provide children with opportunities to learn an instrument in school.	Meeting with CMA about funding the council can provide. Look into budget for music lessons. Research and contact music teachers to provide music lessons.	IS	Throughout the year	Children will have the opportunity to learn a range of instruments.	Pupil premium/ arts council funding for lessons.	Are children getting a choice of instruments?
