School Rules

For the safety and well being of everyone in the school community it is necessary for us to work within a set of rules.

Our six school rules are clear and simple. They are used consistently and are linked with consequences. They are:-

- Walk quietly on the left
- Speak to each other politely
- Keep your hands and feet to yourself
- Listen to and follow instructions
- Attend school regularly and be on time
- Keep the school environment clean and tidy

At the beginning of each academic year teachers agree with pupils a set of class rules. These are displayed in the classroom to be used as a point of reference for maintaining high standards of behaviour for anyone working in that room; they are revised at the start of each half term.

Dining Hall Rules

- Eat healthy food
- Follow instructions at the first asking
- Talk quietly
- Always walk carefully in the dining hall
- Stay in designated areas
- Ask for permission before leaving the table

Playground Rules

- Play safely with the playground equipment.
- Stay in the playground, unless given permission to leave.
- Be respectful and polite at all times
- When you hear the first bell, stand still. When you hear the second bell, walk silently to your line.
